Re: October Quarterly Report  
ID: C00311852

Dear Ms. Kelly:

Thank you for reviewing your findings on our report via phone today.

The loan in question was not collateralized and was a time note. We erred by having the spouse co-sign on this note. As you can see on the 30 Day Post General Report, this loan was repaid in full plus interest on October 17, 1996.

Regarding contributions made by John Masternick, dated 2/14/96, 8/27/96, and 9/19/96, \$1,000 each respectively, they were made by John and Dorothy Masternick. Our permanent records indicate the above. Our software was not printing Dorothy and John Masternick because the married data was incorrectly placed in the wrong field.

For the donation from Robert and Joan Matson, attached you will find a letter from them asking to assign \$500 to the primary debt.

Please let this letter and attachments serve as amendment to the report.

Sincerely,

H. Michael Vinopal,  
Treasurer
